

PERINATAL FORUM

Thursday 9 March 2006
18:00 – 20:00 Buffet from 17:15
Perinatal Institute
Crystal Court, Aston Cross, Birmingham B6 5RQ

Termination of Pregnancy for Fetal Anomaly

Improvements in the performance of routine ultrasound scanning and antenatal screening programs for Down's syndrome have led to a growing number of terminations of pregnancy for fetal anomaly. This Forum will examine the medical issues and legal background of this ethically ambiguous area of fetal medicine. The meeting is open to all clinical staff working in obstetric, paediatric and public health areas.

- 18:00 The Abortion Law in England**
Elizabeth Wicks – Lecturer Law School, University of Birmingham
- 18:30 Data from the West Midlands 1995-2004**
