

PERINATAL FORUM

Type 2 Diabetes in Pregnancy

Wednesday 7 November 2007

Perinatal Institute

Crystal Court, Aston Cross, Birmingham B6 5RQ

Call for Abstracts

“Dilemmas in the Management of Type 2 Diabetes in Pregnancy”

We invite abstract submissions for oral presentations at the ***Perinatal Forum***

ORAL PRESENTATIONS: Oral presentations will be 10minutes, with 10minutes for questions

Abstracts may be submitted as either research or clinical/practice projects, and should be composed according to the following guidelines:

Title: Type in bold, 12 point, Times New Roman capital letters

Authors: Provide names of all authors with presenting Author in bold and an address for correspondence. An email address must also be provided.

Body: maximum 300 words; no literature referencing; tables and figures allowed.

- Research abstracts should use the following headings: purpose, methods, results, conclusion.
- Clinical abstracts should use similar headings: purpose, description (of project or service development), findings, conclusion.

Categories for submission of oral presentations are welcomed from any health professional within the West Midlands working in or with a special interest in ‘Diabetes in pregnancy’

Abstracts should be submitted via email to: office@pi.nhs.uk by **Friday 19th October 2007**
